ADOPTION OF THE AGENDA

The agenda was adopted.

THE QUESTION CONCERNING HAITI

The PRESIDENT: The Security Council will now begin consideration of the item on the agenda.

The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council reaffirms the necessity of full compliance with the Governors Island Agreement. It condemns the acts of the military authorities in Haiti, who continue to hamper the full implementation of the Agreement, in particular by permitting the development of acts of violence in violation of their obligations under the Agreement. It gives full support to the efforts of the Special Representative of the Secretary-General, Mr. Dante Caputo, to put an end to the crisis and to ensure the return, without delay, of democracy and the rule of law in Haiti.

"The Security Council, recalling points 7 and 8 of the Governors Island Agreement concerning the departure of the Commander-in-Chief of the Haitian Armed Forces and the appointment of a new Commander of the police force, insists that these provisions be implemented without further delay.

"The Security Council reiterates its support for the legitimate Government of Haiti and recalls that it holds the military authorities responsible for the security of this Government and of the parliamentarians. It also continues to hold the military authorities responsible for the safety and security of all United Nations personnel in Haiti.

"The Security Council warns that, should the Governors Island Agreement not be fully implemented, it will consider imposing measures additional to those imposed by resolutions 841 (1993), 873 (1993) and 875 (1993).

"The Security Council underlines the importance of the full implementation of the measures contained in the above-mentioned resolutions by all States, including nearby countries.

"The Council will continue to monitor closely the situation in Haiti in the coming days."
